

Florida East Coast Railway Company

FLAGLER SYSTEM

LAND AND INDUSTRIAL DEPARTMENT

J. E. INGRAHAM
VICE-PRESIDENT

St. Augustine, Fla., Jan. 16th, 1918

Mr. Fredk. S. Morse,
Miami, Fla.

Dear Sir:-

I am going to leave here on the morning of the 17th, and if nothing happens enroute will arrive at Miami on the evening of the 18th. On the morning of the 19th Gov. Jennings and Mr. Dewhurst are to meet me there by train, and I should like very much to have you go with us down on the Ingraham Highway as far as possible to look over the work that is being done there, particularly as we are to have Mr. McCrary, the Contractor, with us who asked us to consider a proposition he is making for the continuation of the Highway into Monroe County. I am coming down in my large car, so that I can take these gentlemen with us, and think there is no doubt but what there will be room for you to go with us in my car, as there will be no one but the Governor, Mr. Dewhurst, Mr. McCrary, yourself, Tom and I.

We will stop at the Royal Palm.

Didt. JEI

Yours very truly,

J. E. Ingraham
Vice-President.
