Mr. A. A. Dooley,
St. Augustine, Fla.

Dear Mr. Dooley:-

I thank you for your favor of December 28th and also the copy of Livingston's field notes received under separate cover. Mr. Pepper wants to make a trip to look over the Dewhurst land as soon as the country is dry enough to permit of it. We thank you for suggesting that Mr. Livingston may be able to help him out.

We all wish you many Happy New Years.

Yours very truly,
