Mr. J E Ingraham,
President,
St. Augustine, Fla.

Dear Sir,-

Have you any field notes made by Mr. Livingston,
or others, that would help Mr. Pepper in looking over the
boundaries of Mr. Dewhurst's land in Township 59-35, that is,
any information that will help Mr. Pepper in going over boundary
lines in that section of the Cape Sable country. If so, please
let us make a copy of them.

Yours very truly,
