

Florida East Coast Railway Company

FLAGLER SYSTEM

LAND AND INDUSTRIAL DEPARTMENT

J. E. INGRAHAM
VICE-PRESIDENT

St. Augustine, Fla., Dec. 20th, 1917.

Mr. Fredk. S. Morse,
Miami, Fla.

Dear Sir:-

Your favor of the 18th inst., in regard to wood for dredge, and cutting of timber in Sections #4 and #5, Township #58-38, at hand.

We have given no Permit to anyone for the cutting of timber in these Sections, as they must all go through your office; we will, however, make a special price to the Concern having the dredging work in order to help it along, but should we undertake to furnish it free we would have no check on it and it would be used indiscriminately. Please handle the matter in this way, and oblige,

Dict. JEI

Yours very truly,

J. E. Ingraham
Vice-President.

P.S. Please let us know how they are getting along with the Ingraham Highway, and how far down they are beyond the Royal Palm Hammock.

J.E.I.

*Henry Brooker said he would not cut any more wood on
Cox land. etc.*
