Mr. J. E. Ingraham, President,
St. Augustine, Fla.

Dear Sir:-

Mr. Powers returned to Homestead from Cape Sable to-day and phoned us that he had seen nothing whatever of Mr. Stanton. I called at the hotel at Homestead and no one there had heard of Mr. Stanton, therefore, it looks as if he had not gone through to Homestead.

Mr. Powers told us that he was going to wire to see if you was in St. Augustine and if so would go to St. Augustine tonight with some people from Lakeland. If we hear of Mr. Stanton it is understood that we are to wire Mr. Powers in your care so Mr. Powers can return on tomorrow night's train.

Mr. Powers also said that Messrs. Wright and Garthside had been down there and returned with him today.

Yours very truly,

FSM/C
