Mr. David B. Dice,

Dear Sir:

Referring to your conversation in this office on yesterday regarding Model Land Company Contract No. 01561 on which there is a balance due of \$133.07, and which you advised you did not care to take up, but requested cancellation of the contract.

Please either mail us or bring in your copy of the contract and we will be glad to take the matter up further with the company.

Yours very truly,
