SUBJECT: N.B.Broward Drainage District.

Napoleon B. Broward Drainage Dist.,
Fort Lauderdale,
Florida.

Attention Mr. James S. Rickards, Sec.

Gentlemen:

Your circular of November 16th to Mr. F. J. Pepper has been forwarded to me.

The Model Land Co., whose lands you desire rights of way through, desires a plat of the proposed rights of way which you wish to secure, that they may reserve them from sale and take the necessary steps to have the Trustees agree to a deed in gift thereto, to the District, but I do not think I am justified as President of the Model Land Co. to sign the wideopen permission to use our land for this purpose without more definite knowledge as to the width required and the location.

Yours truly,

JEI-s.

President.

P. S. Is this Mr. James S. Rickards formerly of Boca Ratone? If so, I am glad to see you back in our territory.

Copy to Mr. F. J. Pepper, Miami, Fla.
