Dear Mr. Pepper:

I thank you very much indeed for your favor of the 25th inst. also for the information in regard to the assessed valuation of certain lands and corrections in your previous letter where Section should have read Township and the acreage corrected from 5823 to 8468.70

I am very glad indeed to know that this District is now working in harmony and that some results will be obtained from their work.

I also thank you for the article published in the Metroplis which I have read with a great deal of interest.

Thanking you very much indeed for your kind attention to this matter and our interest therein, I am,

Yours truly,

Sidney Harrison
Secretary.
