June 2nd, 1920.

SUBJECT: Supervisor, Broward Drainage District.

Mr. Fredk S. Morse,  
Miami, Fla.

Dear Mr. Morse:

I have your favor of the 29th ulto. in regard to the nomination and election of a Supervisor for the Broward Drainage District. Your letter gives us great relief as we were of the impression from what we had heard from Mr. Tom M. Bryan that Mr. Watson was not a desirable party to be on the Board. He made very many wild statements and assertions and from his statements we could not understand how it was, if such was the case, that you had not called our attention to it in your letter, and furthermore that we had had no report to this effect from any other source than through Mr. Tom M. Bryan.

Mr. Bryan stated that he was going to have Mr. Elliott, of the Drainage Board, write to us in regard to Mr. Watson's re-election, but we have had no word from Mr. Elliott up to the present writing. We will keep you advised from time to time, meanwhile we will let our instructions for our vote to be cast for Mr. R. O. Watson stand as heretofore given you.

Yours truly,

*Sidney Harrison*  
Secretary.
