SUBJECT: Broward Drainage District.

Mr. S. B. Jennings, Atty.,  
Dyal-Upchurch Bldg.,  
Jacksonville, Fla.

Dear Mr. Jennings:

We are in receipt of a letter from Mr. R. O. Watson, Miami, Fla., calling our attention to the election by landowners of commissioners for the N. B. Broward Drainage District in Fort Lauderdale on June 3rd, the newly elected man to qualify June 15th. Mr. Watson asks for re-election.

Mr. Tom Bryan of Miami and Fort Lauderdale, was in our office yesterday and said that Mr. Wright was very anxious for him to run for one of the supervisors in place of Mr. Watson. We have known Mr. Bryan a number of years and are favorably inclined to endorse his application for proxy representing our companies lands, and will be glad to have you advise us in regard thereto, as you have been handling this district since its formation during the last legislature.

Please let us hear from you promptly <sup>and</sup> if you think it advisable to give Mr. Bryan our proxy to represent our acreage we will be glad to do so.

Yours truly,

H-8.

Secretary.
