FLAGLER SYSTEM

OFFICE OF PRESIDENT AND SECRETARY

J. E. INGRAHAM  
PRESIDENT

S. HARRISON  
SECT. AND TREAS.

St. Augustine, Fla. 6/17/19

Ref. 338.6

Mr. F. S. Morse,  
Miami,  
Fla.

Dear Sir:

I have your favor of the 14th instant, in reference to Broward County drainage matters and the appointment of Mr. Lowe as supervisor.

This matter of the Broward drainage bill has been handled by our attorney Mr. W. S. Jennings, and we are referring your letter to him, and will advise you promptly in the next few days. If Mr. Jennings approves of your appointment we will execute the necessary papers for the ballot to be cast in his favor.

Broward County has become quite a sore spot with us. In fact, all of your southern counties' valuations and taxes are outrageous, and the only relief that I can see from this imposition upon the large landholders is a combination to resist high valuations, when no County improvements or other improvements would justify the high values and taxes being imposed upon properties. While we do not desire to take such a step this in my opinion is what the landowners will have to resort to in order to save themselves and their property.

Yours truly,

*Stanley Harrison*  
SECRETARY.
