Mr. Sidney Harrison, Secretary.

St. Augustine, Fla.

Dear Sir,

In further reply to your letter of May 19th in re Broward and Southern Drainage Districts, I took the same to Mr. Stoneman on his return to Miami, but he considered it too late then to take the matter up. There was some idea then of asking for a continuation of the Legislature for ten days he told me, and if this was done he was to write an editorial in support of same, and at that time would also take this matter up of the Drainage districts.

Yours truly,
