Annual Election of Supervisors
of So. Drainage District.

Dear Sir,

I had the pleasure of writing you on May 19th. pointing out a number of very objectionable features in the Southern Drainage District Drainage Bill, this bill has not passed into law, but I wish you would bear it in mind and study over the bill and use your very best efforts to have the objectionable features removed.

I understand the Annual Election of Supervisors of the Southern District will be held in Miami, Florida, on June 16th. we are instructing Dr. J. L. Holmberg, of your City to cast our vote for Model Land Company, and Perrine Grant Land Company, to elect Mr. J. Stuart Lewis, Secretary of the board of drainage commissioners to succeed Hileman, whose time expires June 14th. can we rely upon you to get as strong a support for Mr. Lewis as possible among your friends and small land owners within the drainage district, we are counting upon you to help us all you can.

Yours truly

Sidney Harrison
Secretary.

P.S. I am enclosing form of Ballot we are using, for your information which after it has served your purpose please return.
