SECT. AND TREAS.

Ref. 338.6

Mr. F. S. Morse,
Miami,
Florida.

Dear Sir:

I am in receipt of your favor of the 17th instant relative to the election of supervisor for the Southern Drainage District and advising of Mr. L. T. Highleyman's being elected. We are pleased to note that under an agreement of his election it was understood that no plan of reclamation would be put into effect, tax levied or bonds issued, without the approval of the majority of landowners.

We also note your remarks relative to Mr. J. H. Bright desiring to run for supervisor of the Broward Drainage District. We are well pleased with Mr. Bright and realize that he would make a very capable man for such position. At present however we are unable to offer our support to any candidate, as there is considerable more attached to these drainage districts than the election of the supervisor, and we must look into and investigate every point entering therein.

Yours truly,

Sidney Harrison

Secretary.
