Miami, Fla.

Dear Sir:-

The Annual Land Owners Meeting of Southern Drainage District will be held this year on Monday, June 11th. at the office of said District, 348 N. W. 1st Court, Miami at 2:30 P.M.

At this meeting a Supervisor will be elected to take the place of L. T. Highleyman, whose term expires at that time and whom I understand will not stand for re-election.

I am a candidate for the office of Supervisor of Southern Drainage District.

I own and represent large land interests in the district, have, and am now serving as President of the Land Owners League of Southern Drainage District, have served several terms as Supervisor of the Palm Beach Drainage District and have been closely identified with the Everglades development since its inception.

To many of the land owners who have attended the other annual meetings and the meetings of the Land owners League of Southern Drainage District, I am personally known, as I have served as Chairman at practically all of these meetings.

I have strived at all times to work for the betterment of the District and in harmony with the Supervisors of the District and because of our association I feel assured I can work in harmony with Supervisors Conrad and Siegel.

If you feel that my record and experience in Everglades development fits me to be your Supervisor for the next ensuing three years, I would appreciate your support in my candidacy to serve as supervisor.

Yours very truly,

J. L. Holmberg
