SUBJECT: Southern Drainage District.

Pepper & Coffrin, Inc.,
Miami, Florida.

Gentlemen:-

I have your letter of December 24th, in reply to my request of December 14th relative to boundaries of the Southern Drainage District.

We have a similar map, in our files, to the one you sent with your letter, but we are unable to determine from this map the actual boundaries of the District. I am, therefore, returning the map and request that you, at your early convenience, outline in red on the map the boundaries of the District. As a matter of fact, we are unable to determine the boundaries from the Act creating the District. There seems to be considerable confusion as to what the actual boundaries are and if you will let me have this information it will be much appreciated.

Very truly yours,

J. W. Hoffman
Vice President.
