

April 26, 1933.

SUBJECT: Southern Drainage District.

Mr. J. W. Hoffman,  
Hodel Land Company,  
St. Augustine, Fla.

Dear Sir:-

We received a letter from Mr. Pepper this morning stating he had advised you that Mr. Wesley E. Garrison was having his attorney prepare a bill to be introduced in the Legislature to abolish this and other drainage districts.

I phoned Mr. Garrison this afternoon and told him your company was in sympathy with him in the matter and would be glad to cooperate in bringing about the above result, and he suggested that I phone his attorney, Mr. Albert D. Bernstein, 953 Seybold Building, Miami, Florida.

I phoned Mr. Bernstein and he stated that Mr. Garrison had asked him to look into the matter, which he was doing, but he said he had not yet started to draw a Bill. I told him that if he decided to attempt to have such a Bill introduced that you could probably be of considerable assistance to him, which he appreciated very much. I told him we would like to have a copy of such Bill to send to you if and when prepared and he took our phone number and said he would keep in touch with us. As soon as we get anything definite from him we will communicate with you.

Yours very truly,

PEPPER AND COFFERIN, INC.
