

June 15, 1932.

SUBJECT: Southern Drainage District.

Mr. J. W. Hoffman, Vice-Pres.,
Model Land Company,
St. Augustine, Florida.

Dear Sir:

The landowners of the Southern Drainage District held a regular meeting on Monday, the 13th instant, and there were very few present and very little interest shown further than the election of the Supervisor, which resulted in the return of Mr. Conrad to the office.

About the most important item of business was the passing of a resolution by the landowners requesting the Supervisors to levy no tax whatsoever in the District for the year 1933, and it is understood that this is the policy of the Supervisors and will be followed out.

The proxies given to me were voted for Mr. Conrad, as suggested.

Yours very truly,

PEPPER AND POTTER, INC.
