Gentlemen:

We enclose letter from L. T. Highleyman of your city asking for our proxy on acreage in the southern drainage district. We know nothing about this gentleman and his fitness for the position, nor do we know how many acres of our land are in this district. We enclose his circular letter, also his postal card signed by us. If you think he is a proper man, you can fill in the acre in the district and mail the card to him.

Yours truly,

THOMPSON & JACKSON,
