Mr. J. E. Ingraham, Prest.,
Perrine Grant Land Company,
St. Augustine, Florida.

Dear Sir:

We are returning herewith statement together with your letter of July 21st, in above matter.

We took the question of these corrections up with the Secretary of the Southern Drainage District and he has checked over the list and made changes suggested by you which he states will be satisfactory for the issuance of voucher accordingly.

He requests that when voucher is sent to the Tax Collector that it be accompanied with a statement showing description of all properties paid on, and we would suggest that on account of the apparent mix up in their records that it might be advisable for you to send the voucher and list to this office and we will handle direct with the Collector.

Yours truly,

FJP/B
