Annual meeting Southern Drainage District:

June 3rd, 1930.

Mr. J. W. Hoffman,  
Vice President, Model Land Company,  
St. Augustine, Fla.

Dear Sir:

We are informed that it is proposed to hold the regular annual meeting of the land owners of the Southern Drainage District in Miami on Tuesday morning, June 10th, at which meeting the expiring term of office of Fred. H. Siegel will be refilled by Supervisor.

Will you please send us usual proxy of Perrine Grant Land Company and Model Land Company, so that we may properly represent your interest in this meeting. It seems to be generally understood that Mr. Siegel is to be returned to office, which is in line with the last conference you had with the writer on the subject.

In representing your companies at this meeting it shall be our endeavor to induce the Supervisors to levy no tax for 1931 as they did for 1930, as we cannot see where the landowners will receive any benefit for such tax, as there is no market for farm lands even though it should be reclaimed at this time.

Please advise if this policy meets with your approval.

Yours very truly,
