June 17, 1929.

SUBJECT: Southern Drainage District.

Mr. J. W. Hoffman, Vice-Pres.,
Model Land Company,
St. Augustine, Fla.

Dear Sir:

Since writing you another letter earlier today on the subject, I am just in receipt of some further correspondence between Supervisor Conrad and Tallahassee regarding the tax relief bill, which correspondence I am enclosing herewith to keep for your file, having retained a copy for this office.

It would seem from these communications that Mr. Conrad's Bill passed the Senate on last Saturday, the 15th and was due to come up before the House today. Please note Mr. Conrad suggests that a wire be sent to Senator Watson, thanking him for his prompt action in passing the Bill. Thinking it will be more effective for such a wire to come from your office than this we will pass that suggestion on to you.

Yours very truly,

PEPPER AND POTTER, INC.
