June 14, 1929.

Mr. Joe Conrad, Supervisor,  
Southern Drainage District,  
Miami, Florida.

Dear Mr. Conrad:

We beg to acknowledge with thanks, receipt thru the mail of copies of telegraphic communications between yourself and Senator Watson, under date of June 11th and 12th, in regard to a Bill authorizing Southern Drainage District not to levy any tax for the year 1930.

We have passed this information on to Mr. J. W. Hoffman, Vice-President of the Model Land Company, and feel certain he would want us to thank you for this and any other effort you may make to bring about the tax relief in question.

Yours very truly,

PEPPER AND POTTER, INC.
