SUBJECT: Southern Drainage District Taxes.

Mr. J. W. Hoffman, Vice-Pres.,
Motel Land Company,
St. Augustine, Fla.

Dear Sir:

The writer had another conference with Mr. Siegel this morning and he informs us that upon investigation, he is of the opinion that it is too late for the Commissioners to take any action to prevent an assessment for the year 1929 as this assessment was levied as of date January 1, 1929, and is in effect in accordance with the law set out in a Bill put thru the Legislature of 1926-27, as I understand it. It would seem, therefore, probably the only way to prevent the assessment for 1929 might be thru Court action.

Yours very truly,

PEPPER AND POTTER, INC.
