

June 27, 1927.

SUBJECT: Election of Supervisors for
Southern Drainage District.

Mr. D. L. Killian,
Kendal, Florida.

Dear Sir:

We submitted your request to Mr. J. W. Hoffman,
Vice-President of the Model and Perrine Grant Land Companies,
that you be given their proxies to vote at the annual land
holders meeting to be held at Miami, June 30th.

Mr. Hoffman did not deem it advisable to change
supervisors and, therefore, was unable to grant your request,
altho he regretted his inability to accommodate you in this
matter.

Yours very truly,

PEPPER & POTTER,
