Miami, Florida

Dear sir:

We understand the election of the Supervisor of the Southern Drainage District is to be held at the annual land owners meeting in the month of June 1926.

Please advise us the date of this meeting and the place it will be held, as we hold the proxies of the Model Land and Perrine Grant Land Companies to be voted at this meeting. If you have the information available would like to know how many votes each of these Companies are entitled to.

Yours very truly,

KEPPER & POTTER
