SUBJECT: Southern Drainage District:

Mr. J. W. Hoffman,
Vice-Pres. Model Land Co.,
St. Augustine, Fla.

Dear Sir:

Answering yours of the 8th will state that as far as we know the present Board of Supervisors are rendering satisfactory service and work harmoniously for the best interests of the District, and we would, therefore, at this time recommend the re-election of Mr. Higleman at the election meeting which will be held on June 8th next.

In the past this office has generally represented the Model Land Company and the Perrine Grant Land Company at these meetings and been empowered by your office to cast ballot for these Companies in accordance with our best judgment, and as above stated, at the present time, we would be in favor of the re-election of Mr. Higleman, but of course one can never foretell what might develop at the meeting to change opinion.

Yours very truly,

PEPPER & POTTER,

Per. _____
