Mr. J. E. Ingraham, Pres.
Model Land Company,
Saint Augustine, Florida.

Dear Sir :-

In replying your letter of January 8th. stating that you had a request from Mr. J. P. Conrad for proxy from the Model Land Company in the matter of election of the supervisor for the Southern Drainage District which will take place at a meeting here on June 11th., we wrote you under date of January 17th. stating that at that time we knew of no objection to returning Mr. Conrad to this office and suggested that you send the proxy to this office to be voted by us, as usual, at the meeting referred to.

The date is drawing nigh and this is to advise that we still see no objection to returning Mr. Conrad to this office and if you wish us to handle the matter in this manner please send us blank proxy ~~for~~ Model Land Company and Perrins Grant Land Company.

It may be possible that on June 11th. neither Mr. Potter or myself will be here to attend this meeting but if not, our Mr. Coffrin who is familiar with the situation, will see that it is properly looked after.

Yours very truly,

PEPPER & POTTER,

By
