Saint Augustine, Florida.

Dear Sir :-

We have yours of the 8th. instant stating that Mr. H. P. Conrad has requested you to give him your proxy for his re-election as Supervisor for the coming year which election will be held on June 11th. next.

At the present time we know of no objection to Mr. Conrad's returning to office for another year and would suggest that in as much as we always represent your Companies at these meetings, that instead of sending your proxy to Mr. Conrad, you place it in our hands as in the past.

This will give us an opportunity to make further inquiry regarding the advantages of returning him to office.

Yours very truly,

PEPPER & POTTER,
