Nov. 14, 1919.

Mr. William J. Krome,
Constructing Engineer,
Marathon, Fla.

Dear Sir,

Your favor of the 11th instant with tracing of the
levels west of track and south of Detroit received.

I thank you very much for the same and am returning it to you
by mail today.

It was just what I wanted and I have had a blue print made of it.

Yours very truly,
