Mr. A. E. Livingston,
Homestead, Florida.

Dear Sir:

I am just in receipt of a letter from Mr. Harrison asking that we make preliminary examination in Township 58 Range 38 with the idea of getting information on which to determine whether or not it would be considered worth while to make a complete survey.

If you will kindly call in the office first time you are in Miami we will talk this matter over further.

Yours truly,

FJP/B
