FLAGLER SYSTEM

OFFICE OF PRESIDENT AND SECRETARY

J. E. INGRAHAM
PRESIDENT

S. HARRISON
SECT. AND TREAS.

St. Augustine, Fla. 10/28/19

SUBJECT: Proposed Drainage-Township 58-Range 38.

Mr. Frank J. Pepper,
c/o Mr. F. S. Morse,
Miami, Fla.

Dear Mr. Pepper:

Earlier reply to your favor of September 24th has been deferred on account of my absence from the office and also on account of Mr. Ingraham's not having returned from Asheville.

Mr. Livingston was in the office a day or two ago and we had a casual talk with him in regard to this preliminary work to be done on Township 58, Range 38. I also spoke to Mr. Ingraham about it and he agrees with me that it would be advisable to have Mr. Livingston do some preliminary work such as you suggest, about \$100.00 or \$200.00, which would give us some information as to whether or not it would be worth while to make a more complete survey. Upon receipt of this data we will then be able to determine whether or not it would be advisable to go ahead and do anything more at present.

Will you, therefore, kindly take up with Mr. Livingston the matter of having this preliminary work done and advise us, and oblige

Yours truly,

Samuel Harrison
Secretary.
