**SUBJECT: Proposed Repairs to Cape Sable Road and Bridges.**

Mr. J. W. Hoffman, Vice-Pres.,  
Model Land Company,  
St. Augustine, Florida.

Dear Sir:

On behalf of some tomato growers in the Cape Sable District, I intended to ask you yesterday while here, the present status of negotiations with Monroe County Commissioners, for repairs on this road, and will thank you to advise what hopes you have of getting this work done in the near future.

Also, in this same connection, you will recall sometime ago we had a talk concerning the possibility of getting the State Highway Department to take this road over, at which time you told me you would have the data looked up in your office as to how much money had been spent by the Model Land Company on this highway leading from Homestead to its southern extremity in Monroe County. Mr. J. D. Redd, the County Commissioner at Homestead, requesting this information to be used in his efforts with the State Highway Department.

Yours very truly,

PEPPER AND POTTER, INC.
