Mr. F. J. Pepper,  
Pepper & Potter,  
Miami, Fla.

Dear Sir:

Will you or Mr. Potter ascertain if any of the bonds on the Ingraham Highway have been retired? Sometime ago Mr. Dewhurst found that a considerable sum of money was deposited at the bank of Homestead for refunding these bonds, but that none of the bonds had been retired and of course they should be. I understand the bonds are offered now at a very considerable figure below par, which would be a good time to buy for the County.

Please let me hear from you at your early convenience.

Yours truly,

Vice President.
