FLAGLER SYSTEM

OFFICE OF PRESIDENT AND SECRETARY

J. E. INGRAHAM
PRESIDENT

S. HARRISON
SECT. AND TREAS.

St. Augustine, Fla. 6/10/19

Ref. 332

Mr. F. S. Morse,
Miami,
Fla.

Dear Mr. Morse:

I have your favor of the 6th instant, stating that you had just heard from Mr. E. W. Russell in regard to the Cape Sable Road. I note with much pleasure your quotations in regard to this.

This is the first time that I have heard or understood that it was agreed that the land owners were to buy these bonds. I do not believe Mr. Ingraham ever had any such understanding, I am sure he had not, and I do not believe any other landowners in Monroe County had any such understanding. By this I do not mean to state that the County Commissioners misunderstood and were led to believe that the landowners would buy the bonds, but that the party who gave them so to understand had absolutely no authority whatever to give this impression. I may be mistaken, but that is my personal opinion and I think I am correct. As soon as Mr. Ingraham is able to discuss these matters clearly I will take it up with him further.

Thanking you very much indeed for your kindness.

Yours truly,

Sidney Harrison
Secretary.
