SUBJECT: Proposed repairs to Cape Sable Road and Bridges.

Mr. J. W. Hoffman,  
Model Land Company,  
St. Augustine, Fla.

Dear Sir:-

We are today in receipt of your wire of even date requesting us to see Mr. Frank Irwin and get his proposal in writing.

We succeeded in getting in touch with Mr. J. D. Redd, County Commissioner, today by phone to find out where we could locate Mr. Irwin and he stated he could not tell us definitely as Mr. Irwin was working on a job somewhere in the Redlands and only went to his home at Homestead every three or four nights. Said he would try and look him up when he went to Homestead tonight or tomorrow and have him phone us and tell us where to meet him. We have also written Mr. Irwin at Homestead today to phone us and let us know where he is working so we can come and see him. Hope to be able to comply with your request before the week is out and forward you the written proposal requested.

Yours very truly,

PEPPER AND POTTER, INC.

10/17/30 <sup>MC/C</sup> Phoned Redd & he said he saw Mr. Irwin last night & he would not be able to find this work but would meet us Monday.
