SUBJECT: Rubber Trees.

Mr. Milo Coffrin,
c/o Pepper & Potter,
Miami, Fla.

Dear Mr. Coffrin:

I find in my mail yours of October 5th, with copy of my letter of August 14th, 1918, in regard to the rubber situation.

I have a letter from Mr. Richard H. Edmonds, to whom I sent these photographs, and to whom I wrote on the subject, asking him to see if he could not interest some of the big rubber concerns on this subject. He wrote me that the photographs were very convincing specimens and he was getting up an article for publication in the Record, illustrating it, which he hoped would bring about desired results.

Yours truly,

J. E. Insbham
President.
