SUBJECT: Rubber Growing in Florida.

Messrs. Pepper & Potter,
Miami, Florida.

Gentlemen:

I would like to have you take up with Mr. Stoneman the matter of rubber growing in Dade County, and I will send you shortly four copies of the Manufacturers Record of the 8th of November, with the illustrations in it, being copies of the photographs you sent me.

This is too important a resource to neglect, and I shall be very glad if you will bring it to Mr. Stoneman's attention and see if they can't interest some Dade County people in this matter.

Please advise.

Yours truly,

J. E. Ingraham
President.
