Mr. Milo Coffrin,

Miami, Florida.

Dear Mr. Coffrin:

Yours of September 13th regarding rubber on the Perrine Grant at hand.

I am very much surprised to hear of the letter of Mr. Wallace in regard to the Ficus elastica not giving satisfactory results. This was a rubber tree which we planted under the advice of the Department and with the assistance of Mr. Fairchild some years ago.

I would be glad if you would give me all the information on the subject that you can. I think Mrs. Richmond if you can find her can give you a good deal of interesting information on this subject. The Doctor was very enthusiastic over it.

Yours truly,

J. E. Ingraham
President.

P. S. I enclose copy of my letter as requested.
