Dear Sir:

I beg to thank you for your favor of the 8th instant, enclosing copy of the Dixie Highway Magazine, and note with regret that the article on the Cape Sable Game Preserve was not included in this number. However, I have read with interest the article on the Ingraham Highway and contiguous territory, by Mr. Chas. O'Connor.

Should the article on the Game Preserve appear in any of the future numbers of the magazine, I would appreciate it very much if you would let me have a copy.

Again thanking you for your courtesy and attention, I beg to remain

Yours truly,

J. E. Ingraham
President.
