Mr. J. E. Ingraham,
P r e s i d e n t,
St. Augustine, Fla.

Dear Sir:

For some reason our article on the Hunting and Fishing Preserve in the White Water Bay section did not get in the January number of the Dixie Highway, and I have written to the Editor calling his attention to promise to use this information, but have not heard from him.

They have, however, used an article by Mr. Chas. O'Connor, Secy. of the Miami Motor Club which was intended for the December number, which is rather interesting, and I am enclosing, herewith, a copy of the magazine which you may keep. I shall use my best efforts to get our story published.

This in reply to your "Ref. 305.3" of the 5th inst.

FJP

Yours very truly,
