Mr. Frank J. Pepper
care Frederick S. Morse
Miami, Florida

Dear Sir:

I thank you for the letter which you so kindly sent by Special Delivery. The information was most interesting and will be used. The article to which Mr. O'Connor referred concerning the Ingraham Highway reached me too late for use in the December issue, though I may be able to use a portion of it. The major part, and your information, will appear in the January number.

Yours very truly,

W. R. Long
EDITOR
