Re: Carlton Marshall Option.

Dear Sir:

I hand you herewith letter from Mr. Dewhurst, together with release to be signed by the parties who suit against Mrs. Carlton Marshall. I am sending this release in duplicate so that in case the parties are not within easy reach one release may be signed by some and the other release by the others.

I am keeping the copy of the will of Carlton Marshall and the report of the Court. If you have not an extra copy of this I shall be glad to have one made and return yours to you. Please advise.

Yours truly,

J. E. Ingraham
President.
