Mr. Fredk. S. Morse,
Miami, Fla.

Dear Sir:

I find among my files a copy of the receipt signed by F. J. Powers and Carlton Marshall, so that it is probable that Mr. Powers has the original and it is not necessary at this time to procure its surrender.

Under the Will of Carlton Marshall, his father, mother brothers and sisters are the legal owners of any interest in land that he died possessed of. You have a copy of the will.

Please get from the parties who brought suit against his widow their signatures with one or more witnesses to each signature, to the enclosed relinquishment of interest in the lands Carlton Marshall agreed to buy.

Yours truly,

(Signed) W. W. Dewhurst.
