Mrs. Victoria B. Marshall,
Pompano, Florida.

Dear Mrs. Marshall:

I am pleased to advise that we are today sending draft to the Farmers Bank & Trust Company at West Palm Beach in the amount of \$640.00 with instructions that \$100.00 be sent to you each month until this amount is paid.

This, as you understand, is a refund from the Model Land Company for a like amount paid by your husband during his lifetime on a certain land transaction.

You will probably get your first draft for \$100.00 the first of the month.

Respectfully,

FJP/B
