SUBJECT: Meeting of the Southern Drainage District.

Mr. Frank J. Pepper,
c/o Pepper & Potter,
Miami, Fla.

Dear Mr. Pepper:

I have your favor of the 3rd instant and note that you will get up a plat showing the Company's lands which are within the Southern Drainage District, being high lands and not improved by drainage but really damaged, and that you will take this matter up before the Commissioners of the Drainage District, at their next meeting, which you state that you think will be about the 13th inst.

We enclose herewith proxy for the Model Land Company's lands within this district and also proxy for the Perrine Grant Land Company's lands within this district, made out in blank and the date left blank. Will you read the proxy over carefully and fill it in according to your wishes which authorizes you to act for our Company.

Yours truly,

Sidney Harrison
Secretary.
