SUBJECT: Southern Drainage District.

Mr. J. E. Ingusham,
President,
St. Augustine, Fla.

Dear Sir:

I have yours of the 9th inst. enclosing copy of letter to Captain Jaudon regarding proxy of Model Land Company and Ferrine Grant Land Company in connection with election of a supervisor by land owners on the 13th inst.

My opinion up to this time is that our interests will be best served, as will those of the entire district also, by the election of F. H. Siegel instead of Captain Jaudon.

I am writing you more fully in another letter today.

Yours very truly,

FJP/h
