SUBJECT: Southern Drainage District.

Mr. J. F. Jaudon, Pres.,  
Board of Supervisors,  
Southern Drainage District,  
Miami, Fla.

Dear Mr. Jaudon:

We have your favor of the 6th instant relative to the coming election of a Supervisor for the Southern Drainage District and asking that we forward you proxy to vote our lands for yourself to succeed yourself, if it is consistent that we do so.

We were under the impression that you were not going to ~~try~~ for re-election and therefore sent our proxy to Mr. Frank J. Pepper, our local agent, at Miami, Florida.

Yours very truly,

E/c

President.
