Gentlemen:-

There will be a meeting in the office of Pepper and Potter, at Four P. M. Saturday, February 23rd, of the Board of Supervisors of the Lake Drainage District and the Board of Supervisors of the Biscayne Drainage District, for the purpose of going over and discussing bids received for the digging of the seventy-five foot canal in the Biscayne Drainage District, and it is desirable to have present, also, any of the land owners within the district who can come.

I would like to request Mr. Simmons and Mr. Griffing to notify the other land owners of this meeting.

Yours very truly,

Chairman, Board of Supervisors,  
Biscayne Drainage District.

RSK/L.
