Mr. W. I. Evans,
Attorney at Law,
Burdine Bldg.,
Miami, Florida.

Dear Mr. Evans:-

Following our meeting of today I called Mr. E. B. Lummus, Chairman of Board, to see whether or not it would be satisfactory for the Supervisors and other interested in the Dade County District to meet with us Saturday afternoon at four o'clock at the Southern Bank, and his reply was that the date and hour was satisfactory as far as he was concerned, but, he did not consider he had sufficient room in his building to hold such a meeting and I, therefore, suggested that it be held in my office and wish you would please be governed accordingly in giving notice to your people of this meeting.

Yours very truly,

PEPPER & POTTER,
